Job details

ASSIGNMENTS

UvoCorp provides **ghostwriting services for students from the USA and other English-speaking countries**.

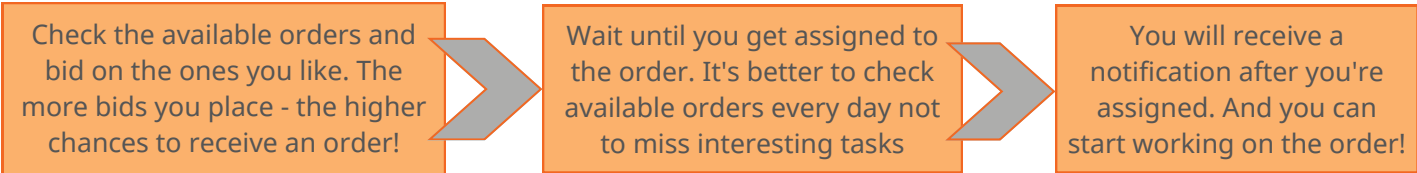

- So our Freelance Tech Experts complete practical home assignments on:
- Programming & Coding (Java, Python, C, C++, C#, JavaScript). [Examples](#).
 - MATLAB and R/R Studio (scientific computing and engineering). [Examples](#).

Our candidates need to have strong skills in at least one of these programming languages/platforms.

HOW IT WORKS

This is a part-time freelance job: you may have 5 to 20 tasks per month. This work has a **seasonal character**: there are more tasks to choose from during fall and spring. During summer/winter holidays the workload is relatively low.

It is a bidding platform:

The benefit of our work in comparison to other freelance websites: strict and well-defined instructions, and a low number of revisions.

PRICING

The price for 1 order may vary from \$10 to \$200 per task, depending on the deadline and the order's complexity.

Deadline Task size	8h	24h	48h	72h	5d	7d	14d
XS	\$25	\$20	\$15	\$10	\$10	\$10	\$10
S	\$50	\$40	\$30	\$20	\$20	\$20	\$20
M	\$100	\$80	\$60	\$40	\$40	\$40	\$40
L	\$200	\$160	\$120	\$80	\$80	\$80	\$80

- We have **two payment options: Payoneer and Wire Transfer**.
The transfer fee depends on the payment method you choose:
- Payoneer: you can check the information [here](#). Minimum withdrawal - \$9.
 - Wire Transfer: \$6 (commission of our bank), plus, the commission of your bank. On average, the total fee is \$10-15 (fixed and does not depend on the amount). Minimum withdrawal - \$300.

Registration guidelines

Our selection process has just **3 steps**. Please note that you will have **2 days** to complete the registration.

STEP 1: SUBMIT THE APPLICATION FORM

[Here is the Application Form you need to submit before you move further with the registration process.](#)

Please reply based on your personal opinion and experience.

STEP 2: COMPLETE THE TEST ASSIGNMENT
